MADE IN GERMANY

Fast and handy: *jetStamp*® 990

The REINER *jetStamp*® 990 offers rapid operation in a particularly handy and compact format.

The smallest device of the *jetStamp*® family now permits fast and simple marking on almost all flat or irregular surface.

Like its big siblings, the inkjet printer stands out with best integration options: it can be used as a mobile device at the respective workplace, or as a stationary element integrated in the assembly line.

Brief overview of special features:

Adaptable.
Innovative printing technology permits printing on irregular and curved surfaces.

User-friendly.
Simple imprint design and data transfer from PC to device. Text changes also possible directly on the device.

Flexible.
Mobile use at the workplace or as a stationary element at the assembly line.

Diverse.
Suitable for marking paper, cardboard, wood, metal, plastic, glass and fabric.
